

MY Charlotte

MY Charlotte, probably the best liveaboard in the Red Sea.

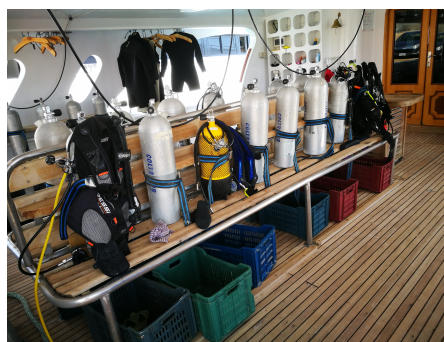

Engines: 2 x MAN 6 cylinder turbo diesel 450 HP
Compressors: 2 x Bauer 320 l/min
Generators: 2 x 35 kW, 1 x 25 kW
Water: 15 tons storage + 3 tons per day by desalination plant
Tanks: 30 x 12 litre aluminium tanks with DIN / INT
Zodiacs: 2 x 40 hp outboard, 1 x 25 hp (spare)
Navigation: Radar, GPS, Depth sounder
Short wave radio and FM radio.
Length: 31 metre, Width: 7.5 metre, Cabins: 12 twin cabins

MY Charlotte has recently been refurbished. In each cabin there is individually controlled air conditioning & an en-suite bathroom.

Air-conditioned lounge - food served straight through a hatch directly from the galley. Guests can take hot or cold drinks 24hrs a day. Food on board is excellent and plentiful. The chef provides a variety of hot and cold dishes to suit all. E.g. pasta, potatoes, rice, noodles and fresh vegetables salads etc. Similarly with chicken, beef and of course fish. We do our best to please the individual as vegetarian meals can be ordered. Entertainment is provided from our large flat screen TV, Music centre & DVD player.

There are 3 sundecks (with shaded area) with a nearby refrigerator for cold drinks. Dive Deck - the important area. Plenty of room here for 30 equipment positions. Also 2 toilets with showers. The tanks are re-filled between dives in situ with the equipment intact. Individual 'pigeon holes' are provided for the charging of batteries, underwater lights, cameras, mobile phones etc. Dive platform - two access points and two fin ladders to the sea. A trained crew are always on hand to help with kit or on accessing the RIBs.
